

Latest: City of New London To Improve

THE FOLLOWING IS A PUBLIC ANNOUNCEMENT FROM THE OVERSIGHT COMMITTEE

04/05/2023 | TO ALL CITY RESIDENTS:

1, Problem: It is hard to keep track of police activity in the City of New London. Residents are unable to keep tabs on what is going on in their community and do not have any power to regulate the police department's activity.

2. Solution: Join the **New London Oversight Committee** and gain exclusive membership rights

In order to:

- Oversee**
- Audit**
- Inspect**
- regulate**

policing practices and policies that govern the activity of officers in the City of New London.

3. With a group of 27 members in a City with 27,000 residents, each Oversight Committee Member actually represents one thousand city residents.

4. As an active Committee member you can make decisions on behalf of other residents who may not have that ability present You will have a deciding voice within a 27,000 members strong community to help protect your civilian peers in the City of New London, and you will most notably be doing so as a peer who is an equal and thus more likely to be attentive than the officials of our city's past.

5. Join the Oversight Committee while seats are open at newlondonvice.com/join
Applicants must show proof of residency.

Thank you for your time & interest in improving this city,

NEW LONDON CT PUBLIC OVERSIGHT COMMITTEE,
